ITALIAN - BACHELOR OF ARTS (BA)

The Italian program promotes an understanding of the role of the Italian literary and cultural tradition within today's global society. By developing the knowledge and critical skills necessary to understand and engage with Italian culture in all its manifestations, Italian majors and minors acquire tools that are applicable to careers in virtually every area. While competency in a foreign language is always a highly desirable asset in our multicultural and multilingual society, proficiency in Italian is particularly beneficial and valuable in the fields of art, fashion, business, law, international affairs, music, the travel industry, translation studies, the foreign service and teaching. In addition to supplying the necessary background for advanced professional study and specialization in various disciplines, the Italian major introduces students to a rich literary, artistic and intellectual history at the roots of the modern world. Students are encouraged to explore career opportunities on the Career Services website (https://www.colorado.edu/career/).

Requirements

Program Requirements

Students must complete the general requirements of the College of Arts and Sciences and the required courses listed below. Thirty-two credit hours beyond the first year of the Italian language with a 2.00 (C) grade point average or better are required, as listed below. All required major courses must be passed with a C- or better and cannot be taken pass/fail.

Graduating in Four Years

Voor Ono

Consult the Four-Year Guarantee Requirements for information on eligibility. The concept of "adequate progress" as it is used here only refers to maintaining eligibility for the four-year guarantee; it is not a requirement for the major. Keeping in mind that the outline below is only one possible option, to maintain adequate progress in Italian, students should meet the following requirements:

- Declare the Italian major as early as possible, preferably while enrolled in ITAL 1020 or ITAL 2110.
- Complete 12 credit hours of requirements (including ITAL 2110 and ITAL 2120) by the end of the second (sophomore) year.
- Complete 12 of the remaining 24 credit hours by the end of the third (junior) year.
- Complete the remainder of the major requirements in the fourth (senior) year.

Recommended Four-Year Plan of Study

Through the required coursework for the major, students will fulfill all 12 credits of the Arts & Humanities area of the Gen Ed Distribution Requirement and possibly the Upper-division Written Communication component of the Gen Ed Skills Requirement.
