

PUBLIC HEALTH - CERTIFICATE

The undergraduate certificate in public health encourages students to extend the breadth of their undergraduate education to include elements of public health. Students are encouraged to take courses from a variety of participating departments to develop an appreciation of the interdisciplinary nature of public health.

For more information, visit the Public Health Certificate Program (<http://www.colorado.edu/certificate/publichealth/>) website.

Requirements

The certificate requirements include a minimum of 22 credit hours of coursework, including at least 9 upper-division credit hours. A maximum of 6 semester credit hours from other institutions will be accepted.

Required Courses and Credit Hours

Code	Title	Credit Hours
Required Courses		10
