COGNITIVE SCIENCE - GRADUATE CERTIFICATE

Tailored to the individual student’s area of interest, the cognitive science curriculum for this certificate is designed to provide broad as well as in-depth training in the cognitive sciences.

Graduate students in good standing in one of the following participating academic units may apply to earn a graduate certificate in cognitive science:

- Psychology and Neuroscience
- Philosophy
- Computer Science
- Linguistics
- Speech, Language, and Hearing Sciences
- Education
- Integrative Physiology
- Architecture and Planning
- Information Science

Earning such a certificate can significantly enhance a student’s academic knowledge and career choices.

To learn more about the certificate, visit the ICS website (https://www.colorado.edu/ics/graduate-programs/cognitive-science-graduate-certificate).

Requirements

The graduate certificate consists of course requirements only.

**Required Courses and Credit Hours**

**Required Courses**

<table>
<thead>
<tr>
