**HIGHER EDUCATION - MASTER OF ARTS (MA)**

As the demand for knowledgeable, ethical and diverse leaders in higher education continues to grow, the new professional MA program will help students broaden their knowledge of higher education policy, research and practice, especially in the areas of student affairs, academic affairs, diversity and community engagement.

We offer a supportive community and flexible course work designed to accommodate busy professionals' schedules. An innovative collaborative effort between the School of Education and all departments on campus, the program offers a dynamic combination of academic knowledge and experiential education.

**Requirements**

Students must successfully complete 36 credit hours of approved coursework while maintaining at least a B (3.0) grade point average, and must pass their capstone course. Additionally, the master's degree must be completed within four years.
