DATA SCIENCE

Data science is a multidisciplinary field that focuses on the extraction of knowledge and insight from large datasets. Data scientists are tasked with using a range of skills in applied mathematics, statistics, and computer science, and in domain applications such as information science, geography, business, media and the humanities.

Master's Degrees

• Data Science - Master of Science (MS) (https://catalog.colorado.edu/graduate/colleges-schools/engineering-applied-science/programs-study/data-science/data-science-master-science-ms/)
• Data Science - Master of Science (Online) (https://catalog.colorado.edu/graduate/colleges-schools/engineering-applied-science/programs-study/data-science/data-science-master-science-ms-online/)

Certificates

• Data Science - Graduate Certificate (https://catalog.colorado.edu/graduate/colleges-schools/engineering-applied-science/programs-study/data-science/data-science-graduate-certificate/)
• Data Science - Graduate Certificat (https://catalog.colorado.edu/graduate/colleges-schools/engineering-applied-science/programs-study/data-science/data-science-graduate-certificate-online/)e (Online) (https://catalog.colorado.edu/graduate/colleges-schools/engineering-applied-science/programs-study/data-science/data-science-graduate-certificate-online/)
