With the Leadership and Management Graduate Certificate (http://www.colorado.edu/emp/leadership-and-management) from the Engineering Management Program (http://www.colorado.edu/emp), you'll gain an in-depth understanding of management, leadership and strategy deployment to improve performance quality; discover how to use natural strengths to become the best leader possible; learn to navigate ethical decisions and maintain integrity as a leader; and find the leverage points in an organization for delivering exceptional results.

Requirements
The Leadership and Management Certificate (http://www.colorado.edu/emp/leadership-and-management) requires 12 credit hours.

Distance Education Option
Students can take individual courses toward a master's degree or graduate certificate through distance education (online). For more information, connect with the graduate program advisor or visit the Graduate School's Distance Education (https://www.colorado.edu/graduateschool/distance-education) webpage.
