INTERDISCIPLINARY PROGRAMS

CU Boulder offers interdisciplinary master’s degrees as well as graduate certificate programs to complement a traditional education.

New graduate certificates must be approved by the Graduate School’s Executive Advisory Council (EAC). For an updated list of graduate interdisciplinary certificates, visit the Graduate School Admissions (https://www.colorado.edu/graduateschool/admissions/prepare-apply/program-information-deadlines/) webpage.

Master's Degrees

- **Computational Linguistics - Master of Science (MS)** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/computational-linguistics-master-science-ms/)
- **Data Science - Master of Science (MS)** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/data-science-master-science-ms/)
- **Data Science - Master of Science (MS) Online** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/data-science-master-science-ms-online/)
- **Organizational Leadership - Master of Science (MS)** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/organizational-leadership-master-science-ms/)

Certificates

- **College Teaching - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/college-teaching-graduate-certificate/)
- **Digital Humanities - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/digital-humanities-graduate-certificate/)
- **Earth Data Analytics - Foundations - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/earth-data-analytics-foundations-graduate-certificate/)
- **Future Faculty Development - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/future-faculty-development-graduate-certificate/)
- **Hydrologic Sciences - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/hydrologic-sciences-graduate-certificate/)
- **Interdisciplinary Quantitative Biology - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/interdisciplinary-quantitative-biology-graduate-certificate/)
- **International Affairs - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/international-affairs-graduate-certificate/)
- **Language Technology - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/language-technology-graduate-certificate/)
- **Native American and Indigenous Studies - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/native-american-indigenous-studies-graduate-certificate/)
- **Quantitative Methods for Behavioral Sciences - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/quantitative-methods-behavioral-sciences-graduate-certificate/)
- **Satellite System Design - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/satellite-system-design-certificate/)
- **Space Weather and Applications - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/space-weather-applications-graduate-certificate/)
- **Water Engineering and Management - Graduate Certificate** (catalog.colorado.edu/graduate/colleges-schools/interdisciplinary-programs/water-engineering-management-graduate-certificate/)
