STRING QUARTET PERFORMANCE - GRADUATE CERTIFICATE

The professional certificate in string quartet performance is designed to provide intensive performance experiences and coaching for those that have the potential for a career in string quartet performance. An earned baccalaureate degree in performance is the minimum requirement for admission into this program.

Students are provided both coaching and individualized instruction, with extensive opportunities for performance, as well as elective studies in entrepreneurship, in preparation for a performance career. Students are normally expected to audition as a pre-formed ensemble for admission to this program.

Admissions requirements for this program include completing all required university graduate admission requirements, submitting a University of Colorado Boulder application, four letters of recommendation, a pre-screening recorded audition, and then performing a live audition and being interviewed by faculty.
