The faculty of the College of Music has modeled the DMA degree programs at CU Boulder after the guiding principles outlined by the National Association of Schools of Music (NASM). As defined by NASM, the Doctor of Musical Arts degree is intended for those seeking "the highest level of professional practice emphasizing the creation or performance of musical works and the application and transmission of knowledge about musical works, or pedagogy... Creation, performance, and teaching are highly disciplined efforts; inquiry and investigation, and often research and scholarship, are components of performance practice" (NASM Handbook, 2009–10: 116).
