ENTREPRENEURIAL LAW - GRADUATE CERTIFICATE

The entrepreneurial law certificate coordinates Colorado Law’s strengths and business-law related assets in the areas of entrepreneurial and technology law, such as the Silicon Flatirons Center (https://siliconflatirons.org/), the Entrepreneurial Law Clinic (https://www.colorado.edu/law/academics/clinics/entrepreneurial-law-clinic/) and the Colorado Technology Law Journal. It is awarded to law students who complete coursework reflecting a concentrated study of issues typically faced by transaction-side lawyers, and signals to prospective employers that a student possesses a skill set with applicability across issues of transactional law.

Requirements

Certificate requirements include:

1. at least 92 credit hours (89 is required for the J.D.), and
2. at least 21 of the 92 credit hours in the area of entrepreneurial law.

This includes at least 3 credit hours in a Business School course and participation in an Experiential Offering relevant to the certificate. Visit the Rules of the Law School (https://www.colorado.edu/law/about/rules/) webpage for complete details, including a full list or relevant electives to be used to satisfy the 21 credit-hour requirement.
