The Presidents Leadership Class (PLC) is a specially designed, top scholar community with both academic and experiential curricula that focus on leadership development through an exploration and honing of our five domains of leadership development (http://www.colorado.edu/plc/plc-advantage/how-we-develop-leadership). Skills are developed in interdisciplinary, academic and experiential environments and through exposure to the key industries of Colorado. PLC students are from any school or college participate in the PLC curriculum as part of their regular course work.

The PLC is a program of CU Boulder and has a Board of Advocates representing Colorado business, educational, nonprofit and government communities.

Admission and Enrollment
Admission to the PLC is considered one of the highest honors awarded to incoming CU Boulder students. Most PLC students are admitted prior to the beginning of their first year at CU Boulder; however, a maximum of five spots are reserved for qualified rising sophomores through a second point-of-entry application. Selection criteria include academic excellence, a growth mindset, a willingness to challenge oneself, empathy, humility and resiliency. Each year, 50 first-year students are enrolled, comprising both Colorado residents and nonresidents. Instructions on how to apply to PLC are available on the PLC website (http://www.colorado.edu/plc). The application is part of the CU Boulder Scholarship Application through the Office of Financial Aid and Scholarship Services. The application is due by February 15. To access the application, visit the Apply Now (http://www.colorado.edu/plc/apply-now) webpage.

Only students who are accepted into the PLC are eligible to enroll in PLC courses (PRLC) with few exceptions for PRLC 2820 and 3810. Students receive Arts and Sciences core credit in Ideals and Values for PRLC 1810; and core credit in Contemporary Societies for PRLC 1820.

Academic Program
The PLC provides students with unique academic courses, purposeful experiential education and real-life experiences that:

- Support academic and professional excellence
- Grow critical thinking and analytical capabilities
- Develop extraordinary creativity
- Hone abilities of thoughtful implementation
- Cultivate moral reasoning and ethical decision making

PLC provides opportunities by uniting the support of the university, local and statewide leaders. The academic curriculum is supplemented by a substantial experiential learning curriculum and professional development opportunities.
