

RESERVE OFFICERS TRAINING CORPS (ROTC)

Enrollment in Reserve Officers Training Corps (ROTC) programs is open to both men and women, and ROTC lower-level leadership courses are open to all students whether or not they contract with ROTC.

All services provide undergraduate and selected graduate students with the opportunity to combine academic study with a military officer's educational program. The three services conduct courses in their respective areas leading to a regular or reserve commission upon graduation.

Military Programs

- Air Force Aerospace Studies (U.S. Air Force) (<https://catalog.colorado.edu/undergraduate/colleges-schools/academic-enrichment-programs/reserve-officers-training-corps/air-force-aerospace-studies/>)
