

HUMANITIES - BACHELOR OF ARTS (BA)

The humanities major is an interdisciplinary program designed for students who wish to concentrate in more than one field or discipline. The major leads to a Bachelor of Arts (BA) degree and offers considerable flexibility, but students should choose courses in consultation with their primary advisor.

In addition to courses taken within Humanities (HUMN), an outside area of study is required and can be fulfilled by choosing one of the following: A major, minor, or certificate in another discipline (additional courses may be necessary to meet the required 18 hours); 12 hours in one discipline plus 6 hours in a different discipline; 18 hours chosen according to a common theme (to be determined in consultation with and approved by the Director of Undergraduate Studies).

Requirements

Required Courses and Credits

A minimum of 54 credit hours is required for the major, including 21 upper-division HUMN credit hours. All required HUMN courses and all Outside Area of Study courses must be passed with a C- or better and cannot be taken pass/fail. No more than 45 credits in HUMN may be applied to overall graduation requirements. Students must have a grade point average of at least 2.000 in the major in order to graduate.

Graduating in Four Years

Consult the Four-Year Guarantee Requirements for information on eligibility. Because the humanities major is unique in requiring courses from a number of different departments in addition to its own courses, it is important that students wishing to graduate in four years declare

the major early and meet regularly with a major advisor. The concept of "adequate progress" as it is used here refers only to maintaining eligibility for the four-year guarantee; it is not a requirement for the major. To maintain adequate progress in humanities, students should meet the following requirements:

- Complete the lower-division courses HUMN 1001, HUMN 1002, HUMN 1003 and HUMN 2000 by the end of the fourth semester.
- Complete at least two courses in the outside area of study by the end of the fourth semester.
- Complete 15 of the remaining credit hours by the end of the sixth semester—at least three of these must be upper-division humanities courses.
- Complete all remaining required courses by the end of the eighth semester.
