

JEWISH STUDIES - MINOR

The minor in Jewish studies is designed to help students develop a unique, interdisciplinary perspective and build their critical thinking skills by exploring the world through the lens of Jewish studies. Because the program in Jewish studies is inherently interdisciplinary, many students are easily able to fulfill Jewish studies minor requirements while simultaneously completing requirements for their major.

The minor in Jewish studies is open to all students of all backgrounds, Jewish and non-Jewish.

Requirements

Declaration of a minor is open to any student enrolled at CU Boulder, regardless of college or school. Students must complete 18 credit hours in Jewish studies courses, of which 12 credit hours must be upper division (3000/4000). All coursework applied to the minor must be completed with a grade of C- or better (no pass/fail work may be applied). The GPA for all coursework taken in the minor department must be equal to 2.00 (C) or higher. Students are allowed to apply no more than 9 credit hours, including 6 upper-division credit hours, of transfer work toward a minor.
