The minor in Jewish studies is designed to help students develop a unique interdisciplinary perspective, building their critical thinking skills by exploring the world through the lens of Jewish studies. As the Program in Jewish Studies is inherently interdisciplinary, many students are easily able to fulfill Jewish studies minor requirements while simultaneously completing requirements for their major.

The minor in Jewish studies is open to all students of all backgrounds, Jewish and non-Jewish.

Requirements

Declaration of a minor is open to any student enrolled at CU Boulder, regardless of college or school. Students must complete 18 credit hours in Jewish studies courses, of which 12 credit hours must be upper division (3000/4000). A grade of C- or better must be received in all courses used to satisfy the minor requirements. For more information, visit the program’s Minor in Jewish Studies webpage.
