MEDIA PRODUCTION - MINOR

The minor in media production is designed to give students majoring in any discipline foundational skills in media making, while also allowing students to pursue a range of elective courses in their particular areas of creative interest.

Requirements

The minor consists of a total of 19 credit hours, with three required media production courses that combine theory with technical skill in order to prepare students for upper division study.

Students must complete all classes for the minor with a grade of C- or better and an overall GPA in the minor of 2.0.

Students may apply no more than six credit hours of transfer work, including three hours of upper-division credit.
